

Lesson: Clothes

Student: Kindergarten

1. Practice the clothing vocab with flashcards

The teacher will divide the class into 3 groups using games. The teacher asks each group to find the suitable vocab flashcards based on picture flashcards. The group who has finish first will get crown stickers for each member. After that, the teacher will pronounce the clothing vocab using new flashcards which is more clothing vocab and asks them to repeat after him/her.

2. Do cut and paste with paper dolls

The students are still in their groups on the previous activity. Then teacher gives paper dolls, sheets of paper clothes, and scissors to each group. The teacher asks the students to cut and paste the paper clothes into the paper dolls based on the teacher's instruction. After finish it, the students submit it and they receive crown stickers for the correct answer.

3. Matching the suitable clothes based on the season

Every student will receive a worksheet with different clothes in the right side of worksheet and different season in the left. The teacher asks the students to draw a line to find the season that matches with the clothes using pencil and submit the worksheet. The student who answered all correctly will receive crown sticker for their reward.

4. Homework

For homework, the students are asked to color different clothes creatively on the worksheet which is provided by the teacher. This worksheet also asks the students to thickening the dots to form clothing vocab that provided under the pictures of the clothes to be colored.
