

## Core Family

### Lesson Objectives:

1. Speak and memorize the members of the core family correctly.
2. Write the members of the core family correctly.
3. Recognize the members of the core family correctly.

### Target Students:

Class 1 Elementary School

#### Activity 1: Asking the students about their knowledge of family members

Teacher asks the students their knowledge or what they know about family members. At first, teacher will ask the students about with whom they are going to school. Then, teacher asks the students about their family, like their parents' name and what is their position in the family. Finally, the teacher asks the students about their knowledge on how the core family members are called in English.

#### Activity 2: Sing a song "Satu-Satu" Indonesian and English version

Teacher will ask the students whether they remember a song titled "Satu-Satu", which is usually taught by other teachers. Then the teacher ask the students to sing the song in Indonesian version. After that, the teacher introduce the English version of the song and then teach the students how to sing it and how to say some words in the English Version. Then, teacher sings the song together with the students.

#### Activity 3: Recognize your core family member

Teacher will bring the props and starts introducing the target English words to the students. The students will not only know how the core family members is called in English, but also how to say the words correctly and teach them to recognize which one is father, mother, brother, sister.

#### Activity 4: Writing time

Teacher will start to teach the students how to write the core family members in English. The teacher shows how to write it in the black/white board, and then students copies the step by step on how to write it. After that, teacher asks the students to memorize how the words

should be spelled and then asks them to write it into the notebook. Teacher is also supervised the students attempt to write the words to make them motivated.

#### Activity 5: Who's this?

Teacher will hold a mini-game. The students is asked to mentions the correct core family members' name. Like father, mother, brother, sister. The pictures that will be displayed will not only in four pieces, but it will varies to make the students knowledge are improved on how to recognize the core family members name.
